

Linking all of California with a state-of-the-art transportation network, high-speed trains will move people and products across our state like never before.

HIGH SPEED RAIL

Please Join Breathe California of Sacramento for an interactive community Brown Bag Lunch Discussion With

**Carrie Pourvahidi, *Deputy Director*
High Speed Rail Authority**

Tuesday, October 7th, 2008

12:00 p.m.—1:30 p.m.

EPA Building 1st Floor Training Rooms

1001 ‘I’ Street

Sacramento

Come learn how High Speed Rail will:

- ◆ Eliminate more than 12 billion pounds of the greenhouse gas emissions
 - ◆ Ease Congestion on Our Highways and in Our Airports
 - ◆ Make the Most of Every of Dollar California Invests
 - ◆ Create new jobs in California
 - ◆ Save Valuable Energy

Co-sponsored by:

SACRAMENTO METROPOLITAN AIR QUALITY MANAGEMENT DISTRICT

And

CALIFORNIA WELLNESS FOUNDATION

We hope to see you there! No RSVP is required
